

## **Operation Blitz**

Eastbourne Police have updated the Operation Blitz messaging system. Regrettably our current software does not support the use of landline telephone numbers. In order to ensure that we provide the best service for members of the public we need to be certain that we have your most up to date contact details. These will need to be a mobile telephone number and/or an e-mail address. Please indicate on the form your preferred means of contact. If these are subject to change in the future please notify us immediately. The Operation Blitz telephone number will be subject to periodic changes and Eastbourne Police will ensure that all those whom have subscribed **and** have signed the data protection forms, will have access to this number.

Operation Blitz runs on a weekly basis, Friday and Saturday, 1800hrs to 0000hrs, with Thursday added in School holidays and other pre-arranged dates of which you will be notified. If you wish to report anti-social behaviour outside of these core hours please contact Sussex Police on 101, or in an emergency dial 999.

Please ensure that if you wish to be on the Operation Blitz circulation list that your form is completed correctly and returned in the pre-paid envelope as soon as possible.
